

MESSAGE FROM THE PASTOR, REV. CHRISTOPHER NOWAK

Dear Parishioner:

Please know that you are in our (Staff) prayers during these very difficult times. We have to take all the necessary precautions (eg. Stay at home, wash hands, social distancing, etc...) to contain this virus to allow the Doctors time to come up with a vaccine.

Remember FAITH IS SYNONYMOUS WITH HOPE.

Our Faith is our guide that our LORD will get us through this. As we have experienced many times in our lives, he is always there for us. He takes away all fear and gets us through all tribulation. We just have to put GOD first and trust in our faith.

We also want to express and nurture our faith. This weekend we will begin Eucharistic Adoration in the church (or drive up) until this virus is over.

Please watch the parish web page for details or call:

Blessings,

Fr. Chris, Fr. Fidel and Staff
